

The Security Communication Stack

Structured response frameworks

STAR

Behavioral only

CARL

Behavioral + learning

RCS

Situational only

TRCO

Thesis → Risk → Control → Outcome

Bridges behavioral + situational · No story required · Any domain

Today, Real Conversations Create Outcome

5W powers TRCO, the security thinking engine behind every answer

5W Security Framework

Why → Who → What → Where → When → Why

Governance · Risk and control · Threat intelligence · Cyber operations

While TRCO was developed through a security and GRC lens, the framework applies universally to any career field, any high-stakes conversation, any domain where position, risk, response, and outcome matter.
